

ISTVS

APPLICATION FORM FOR 2018/2019 ACADEMIC YEAR

No. _____

Course details:

University of Nairobi accredited BSc course in Dryland Economics and Agro-ecosystem Management (DEAM) – 4 years duration

The first two years of the BSc DEAM are spent on core courses that ground the student in dryland agriculture related basic science and the fundamentals of the professional agricultural disciplines. For the remaining two years, students specialise in one of the following majors:

- Dryland Agricultural Economics
- Extension and Communication
- Land and Water Resource Management

Makerere University accredited Diploma courses in Livestock Health, and in Product Development – 3 years duration

The first two years of the Diploma courses are spent on core courses that ground the student in pre-clinical studies. In the third year, students choose to specialise in either of the following:

- Livestock Health Sciences (DLH)
- Livestock Product Development and Entrepreneurship (DLPDE)
